**Place a beautiful American flag in your yard five holidays per year!
(Memorial Day, Flag Day, Independence Day, Labor Day and Veteran's Day)**

The Kissing Camels Estates Flag Project is a joint community service project between the Boy Scouts of America Coronado Troop 53 and The East Colorado Springs Rotary Club. By subscribing to this project, you will have a U.S. flag placed in your front yard for five holidays per year. We will not only drill the hole for the flag pole, we will also raise and retire the flags on the prescribed days. Other than subscribing, there is nothing more for you to do but enjoy seeing the flag in your yard.

Flag Installation Information

Flags are ideally installed in the front of the house. We work with Colorado Springs Utilities to ensure that utility and/or gas lines are not affected by the installation of the flag. A Rotarian volunteer, upon receipt of the subscription, will contact the Colorado Springs

Utility Notification Center to locate any underground utilities. After the locations are complete, the Rotarian will come by your home and install a PVC sleeve. The sleeve sits 15 inches underground and is capped off until the actual flag is installed during the holidays. The cap helps to ensure that the sleeve remains free from snow, ice, dirt and debris.

It is important to maintain consistency in the location of the sleeve so that the Scouts can easily find it on the holiday and therefore, requests for custom flag locations cannot be accommodated.

A flag subscription is \$60 for one year, or \$110 for two years. Mid-year subscribers are automatically pro-rated for the remainder of the year and enrolled for the following year. Subscriptions must be paid and processed 15 days prior to the holiday in order to receive service for that holiday.
